Simplify Your Writing

- ☐ AI Magic Tool: Hypotenuse
- ☐ Category: AI writing
- ☐ What it does: helps you write amazing stories
- ☐ Link to website: <https://www.hypotenuse.ai>

A fantastic tool for writing, creating graphics, and much more is Hypotenuse.

Let's see how you may utilize it to improve both your enjoyable and academic projects!

Before We Begin: Warm-Up Challenge!

Imagine that you are about to turn in a big school assignment. What specifics or images would set your project apart? Think about how you might utilize a tool generate images or discover information for your project.

Quick Fun Quiz

Which Hypotenuse feature would you use to include a unique image in your narrative?

- ☐ Use Content Detective to uncover fascinating information.
- ☐ Using Hypo Doc to extract responses from a document.
- ☐ AI Image Generator to produce an original image

LET'S GET STARTED

How to Use Hypotenuse?

1

Content Detective

- **WHAT IT DOES:** You can locate helpful information for your projects with the aid of this tool. It collects important information for you rather than looking elsewhere!

EXAMPLE: You can use Content Detective to locate fascinating facts about planets and stars rapidly if you're writing a space-related school assignment.

- **HOW TO USE IT:** Inform Hypotenuse of the information you require. It will compile the data and assist you in beginning the report authoring process.

2

Hypo Doc

- **WHAT IT DOES:** Hypotenuse can assist you in locating crucial information and solutions within a document that you upload.

EXAMPLE: If you have a query about plants in a large science textbook, upload the book and Hypo Doc will look up the answer for you!

- **HOW TO USE IT:**
Ask a question about your document after uploading it, and Hypotenuse will provide you with the necessary information.

3

AI Image Generator

- ❑ **WHAT IT DOES:** Describe what you wish to see in custom photos. It works like magic on photos!

EXAMPLE: Simply tell Hypotenuse what you a dragon need image for your story, and it will create one for you!

- ❑ **HOW TO USE IT:** Hypotenuse will produce the image you specify, for as "a dragon flying over a rainbow."

Cost Information

A seven-day free trial is available for Hypotenuse, and paid subscriptions start at \$87 a month.

AI MISSIONS – Let's Get Creative!

Mission 1

Create a Space Report

Objective:

For your students, write an entertaining paper on space.

Instructions:

1. FIND YOUR INFO: To learn fascinating facts about planets and stars, use Content Detective.
2. WRITE YOUR REPORT: Write a fascinating report about your favorite space facts using the information provided.
3. ADD IMAGES: For your report, create images of planets and stars using the AI Image Generator.

Mission 2

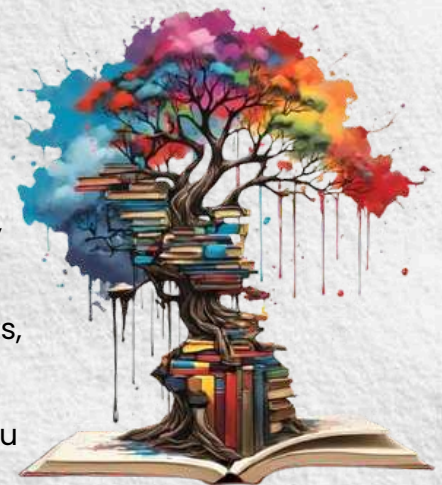

Add Answer Questions From a Big Book

Objective:

Make a unique picture for your narrative.

Instructions:

1. DESCRIBE YOUR IMAGE: For your narrative, choose a whimsical picture, such as a dragon or a castle.
2. GENERATE YOUR PICTURE: Create the image by describing it using the AI Image Generator.
3. USE IT IN YOUR STORY: To add excitement to your story, including the picture.

**Making school projects and other creative things is
incredibly simple and enjoyable
using Hypotenuse.**

With only a few clicks, you can easily search for information,
extract responses from documents, and produce stunning
photographs

02

Easy Writing Magic

- ☐ AI Magic Tool: Rytr.
- ☐ Category: AI writing
- ☐ What it does: Aids in the creation of enchanted tales
- ☐ Link to website: <https://rytr.me>

Introducing Rytr, your new superhero in writing!

Imagine having a supernatural assistant for all of your writing requirements.

Before We Begin: Warm-Up Challenge!

Imagine you want to write about something super fun like "The Best Day Ever at the Amusement Park" or "My Dream Superpower." Jot down your ideas, and let's see how Rytr can turn them into awesome writing!

Quick Fun Quiz

What would you write about if you could write a narrative about anything?

- ☐ An enchanted unicorn who comes to the rescue
- ☐ An voyage in space with amiable aliens
- ☐ A mystery around a treasure buried in your garden

LET'S GET STARTED!

What is Rytr?

Rytr is like having a magic pen that helps you write awesome stories, school projects, and fun posts. It makes writing easy and exciting

How does it Work?

Here's how to utilize Rytr to make writing enjoyable and easy:

Create Your Masterpiece

1

PICK A TOPIC: Choose the topic you wish to write about. It can be a report on your favorite animal or a tale about a magical place. **VISIT RYTR:** Visit the Rytr website with the assistance of an adult.

2

USE THE TOOLS: Try out cool features like: **AUTOWRITE:** Aids in getting your story started.

EXAMPLE: AutoWrite can help you get started if you wish to write about a superhero. For example, "Once upon a time, in a city full of danger, a brave superhero named Captain Zoom..."

3

REWRITE: Enhances the sound of your writing.

EXAMPLE: If you wrote, "The dragon was big," The phrase "The enormous dragon towered over the mountains" could be rewritten."

4

SPEECH WRITER: enhances your plot with interesting dialogue.

EXAMPLE: Speech Writer can assist in crafting a dialogue between a robot and an alien in a scene where they meet:
Robot: "Greetings, Earth traveler!"

Alien: "Hi there! Have you got any munchies for space travel?"

5

DESCRIBE YOUR IDEA: Explain your writing topic to Rytr. The more information you include, the more amazing your essay will be!

Extra Fun Features

WRITE LIKE A WIZARD: Make your work sound enchanting, like a fairy tale.

Example: Change

"The feline visited a park." to "In pursuit of glittering butterflies, the enchanted cat danced through the enchanted park." **POKEMON**

FANFICTION GENERATOR: Use your favorite Pokémon to create captivating stories. Example: Write about Charizard and Pikachu working together to save their buddies from a terrifying house. **MOVIE RECOMMENDER:** Obtain creative film

concepts based on your interests. Example: If you enjoy adventure films, Rytr may recommend the best ones with heroes embarking on heroic adventures. **GRAMMAR HELPER:** Correct any

grammatical or spelling errors. Example: In your story about a swift cat, Rytr will assist you in changing "the cat runner fast" to "the cat ran fast." **REPHRASE AND EXPAND:** Modify the tone of your essay or include

extra information. Example: Turn

"The dog let forth a bark." into "The dog was so happy that it jumped up and down and barked loudly."

Cost Information

Rytr's free plan allows users to use up to 10,000 characters, while the Unlimited and Premium plans start at \$9 and \$29 per month, respectively.

AI MISSIONS – Let's Get Creative!

Mission 1

Magical Creature Story

Objective:

Compose a tale about a fantastic being.

Instructions:

1. **IMAGINE YOUR CREATURE:** Consider the unique qualities of your magical creature. Does it gleam or have wings? **EXAMPLE:** Imagine a unicorn with a horn that can cause flowers to bloom.
2. **WRITE THE STORY:** Start by writing about your creature's experiences using Rytr's Auto WriteView or hear entertaining summaries..**EXAMPLE:** Begin with "A glittering unicorn named Stardust could bring colors to the world in a hidden forest."
3. **EDIT AND SHARE:** Once your narrative is polished, share it with friends and family using Magic Editor.

Mission 2

Detective Mystery

Objective:

Create a thrilling detective story.

Instructions:

1. **PLAN YOUR MYSTERY:** Consider a detective cracking a major case. What hints do they discover? A detective cat cracking the case of the missing cookies is one example.
2. **WRITE THE MYSTERY:** Use Rytr to create intriguing dialogue and plot twists. **EXAMPLE:** Detective Cat says, "A trail of cookie crumbs that leads to the garden is my clue!"
3. **REVISE AND REVEAL:** Perfect your mystery with Rewrite and Grammar Helper, then present it to your peers!

Mission 3

Future World Exploration

Objective:

Describe a futuristic city or world.

Instructions:

1. VISUALIZE THE FUTURE: Imagine the appearance of your future metropolis. Are there robots and flying cars? EXAMPLE: Imagine a city with flying automobiles zipping between tall towers and robots cleaning the streets.
2. DESCRIBE THE FUTURE: Use Rytr's Magic Editor to describe your city with lots of cool details. EXAMPLE: "In the year 3000, robots are all around, assisting people with their everyday chores, and structures reach the stars."
3. ADD FUN DETAILS: To add more awesome features, use Expand, then show your pals!

**Prepare to use Rytr to unleash your
creativity and produce amazing
literature!**

03

your creativity and tell amazing tales!**

04

Book Detectives: Find out What Books Are About Quickly

- ☐ AI Magic Tool: multiple
- ☐ Category: books
- ☐ What it does: provides insights and book summaries.
- ☐ Link to website: <https://booksai.app/>, <https://www.readshark.com/>, <https://learnsarter.ai/>

Books are a veritable gold mine of amazing knowledge, but we don't always have the time to read every page.

That's where these super cool AI tools come in! They help you get the best parts of books in just minutes. Imagine having magical powers to learn about books quickly!

Before We Begin: Warm-Up Challenge!

Pick a book you think sounds exciting. It could be about superheroes, space adventures, or magical creatures, let see now, these AI tools can help us get the coolest details from the book without reading it all!

Quick Fun Quiz

Which book, and why, would you choose if you could get a quick synopsis of any book?

- ☐ A book about heroes coming ' to the rescue
- ☐ A tale of discovering undiscovered riches on a desolate island
- ☐ A manual for training your dragon

LET'S GET STARTED!

What Are These AI Tools?

You may quickly identify the most crucial passages in a book with the aid of these tools. It's similar to possessing a magic wand that grants you access to the most amazing content from books without requiring you to read them all!

How Do They Work?

Here's how to utilize these fantastic tools:

1

Take a Photo or Add a Book Cover

Do you want to know if a book is enjoyable? BooksAI can tell you everything you need to know about a book if you only snap a picture of its cover or upload the image! It's similar to condensing the book's strongest passages into a few phrases.

2

View or Hear Entertaining Summaries.

You can view a brief video or listen to a brief audio that explains the contents of the book if you would rather not read it. You can almost hear someone reading it to you! You can use Readshark for that.

3

Ask and Learn Fast

The following three strategies will help you become more familiar with a book's content more quickly:

1. Get answers to questions you have about a book.
2. Learn complex ideas as if you were five year sold.
3. Compare books with one another.

We are fortunate that Learnsmarter.ai combines all three functions

AI MISSIONS – Let's Get Creative!

Mission 1

Magic Book Summary

Objective:

Get a brief synopsis of a book that is magical.

Instructions:

1. PICK A MAGIC BOOK: Pick a book about magical places or wizards. EXAMPLE: A book about "The Secret Castle."
2. USE BOOKSAI: To obtain a synopsis, take a picture of the book's cover and upload it. EXAMPLE: Discover the essence of "The Secret Castle" in a matter of minutes.
3. SHARE YOUR SUMMARY: Discuss the book's lessons with your friends and determine whether it's worth reading!

Mission 2

Quick Adventure Summary

Objective:

Read a synopsis of an adventure novel.

Instructions:

1. PICK AN ADVENTURE BOOK: Pick an ovel with lots of action and thrilling adventures. EXAMPLE: A book about "The Lost Treasure Map."
2. USE READSHARKView a brief film or hear an audio synopsis of the book. EXAMPLE: In just fifteen minutes, discover whether "The Lost Treasure Map" is a thrilling read.
3. DISCUSS: Tell your family or fellow students about the fascinating things you have discovered!

Mission 3

Create a Book Table

Create a table with the book's main lessons.

Instructions:

1. **PICK A BOOK:** Pick a book that gives you some interesting knowledge.
EXAMPLE: "Saving the Environment" is the title of the book."
2. **CREATE YOUR TABLE:** Create a table containing the main lessons learned and their applications using ChatGPT. EXAMPLE: Create a table that demonstrates your knowledge about recycling and ways you can support your community.
3. **USE AND SHARE:** Save your table for later use and share it with your friends to show them what you've learned.

05

Write, Create, Shine: A Kid's Guide to Crafting Cool Stories

- AIMagicTool:NaturalReaders
- Category:audio
- Whatitdoes:enablesyoutohearthereadingofournarrative aloud.
- Linktowebsite:<https://www.naturalreaders.com>

Want to make your writing amazing?

A neat program called Natural Readers reads your work aloud to you while you edit it. Let's observe how it functions!

Before We Begin: Warm-Up Challenge!

Take out a piece of paper and a pencil. Create a drawing that you believe would be really awesome to hear. Maybe a dragon's roar or a funny joke?

Quick Fun Quiz

Which voice would you chose if you could give a talking robot a choice?

- ☐ A warm voice reminiscent of a beloved animated figure
- ☐ A crazy voice that produces hilarious noises and giggles
- ☐ A powerful voice with a superhero-like quality
- ☐

LET'S GET STARTED!

What is Natural Readers?

Imagine your writing being read aloud by a knowledgeable acquaintance. Natural readers are that! It makes editing simpler and more enjoyable by enabling you to hear your content.

Create Your Masterpiece

1

COPY TEXT: Start by copying the words you wish to hear.

Example: Replicate the words from your story if you wrote one about a magical zoo.

2

PLAY BUTTON: After that, use the large "Play" button to begin listening.

Example: When you hit "Play," your narrative will sound like a robot reading it.

3

DOWNLOAD AUDIO: The voice reading of your text can be saved if you'd like (with the Plus upgrade).

For instance, save the audio of your narrative so you may play it at any time, such as at home or while driving

4

SPEED UP: You can speed up the voice if you're pressed for time.

Example: Accelerate the voice to hear it more quickly if you want to finish listening quickly.

5

SCREENSHOT TO AUDIO: Additionally, Natural Readers will read aloud you're writing if you snap a photo of it.

Example: The tool will recite your homework when you take a picture of it.

Extra Fun Features

SPOT TYPOS EASILY:

You can identify errors in your text by hearing them.

Example: You will hear the error if you type "mystery bat" instead of "mystery cat."

SAVE TIME:

To edit more quickly, speed up the voice.

Example: Listen more rapidly if you're pressed for time so you can finish sooner.

SCREENSHOT TO AUDIO: Natural Readers will read your content to you if you take a photo of it. For instance, Natural Readers will read your book report aloud if you snap a photo of it!

PREMIUM VOICES: Special voices are available to listen to for free for a short period every day. For instance, just for fun, listen to your story told in a fairy tale or pirate voice!

Extra Fun Features

PRONUNCIATION EDITOR:

Modify the pronunciation of several words to make them sound perfect. Example: Make sure you pronounce your name and any other difficult words correctly

ADVANCED TUNE

The voice can be made louder or softer, and its pitch can be changed. Example: In the most exciting portions of your story, make your voice sound eager; in the sleepy parts, make it sound calm and quiet.

RANGE OF VOICE STYLES:

Select from a variety of voices that can sound joyful, depressed, enthusiastic, or even grumpy.

Example: Make the protagonist of your tale sound happy when they discover a treasure or sad when they lose their pet

Cost Information

While premium subscriptions for Natural Reader start at \$9.99/month for Premium (unlimited listening with non-AI voices), the free tier has restricted functionality.

AI MISSIONS – Let's Get Creative!

Mission 1

Edit Your Short Story

101

Objective:

Listen to a short narrative to make it better.

Instructions:

1. CHOOSE A STORY: Pick a story you've written or a favorite one.
2. COPY AND PASTE: Open Natural Readers and enter the text.
3. LISTEN AND EDIT: Listen to your tale . Read it out loud and revise it to make it better.
4. SHARE: Show your loved ones your revised narrative!

Mission 2

Create a Fun Voiceover

Objective:

Make an entertaining voiceover for a film..

Instructions:

- 1 PICK A TOPIC: Select a topic for your film, such as entertaining tale or a science project.
- 2 WRITE YOUR SCRIPT: In the video, write what you wish to say.
- 3 USE NATURAL READERS: Use a variety of voices to transform your content into an entertaining voiceover.
- 4 ANIMATE: Make a fun video with the narration and distribute it to everyone!

Mission 3

Make Your Book Report Awesome

Objective:

Listen to your book report to make it better.

Instructions:

1. WRITE YOUR REPORT: Write a paper about a book you've read for class.
2. COPY AND PASTE: Open Natural Readers and enter the text.
3. LISTEN AND EDIT: Make your report even better by listening to it read aloud.
4. ENHANCE: To add interest and fun to your report, use a variety of voices.

Ready to start these missions?

Make writing and editing a lot of fun by diving into Natural Readers!

Happy writing and editing!
